2012-03-15 HBO's hit series A GAME OF THRONES is based on George R R Martin's internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age.

Game of Thrones-Book Of Thrones 2017-03-26 Game of thrones: A Family History Volumes I & II recounts the epic tales of six of the largest and most prestigious houses in the series. Learn how the Targaryens originally took control of the Seven Kingdoms, and how the Lannisters came to be masters of Casterly Rock. Chart the development of the Starks, first as Kings in the North then as king makers under their popular Lord, Eddard Star. See how the Baratheons, the Martells and the Tyrells each conquered and held the rich, fertile kingdoms of the Stormlands, Dorne, and the Reach, and just why it is that the families of Game of Thrones are eager to avenge themselves on one another.

Citizen of the Galaxy-Robert A. Heinlein 2005-05-17 A youth who has known only the primitive life of a galaxy slave is purchased by a beggar who

turns out to be a man with many extracurricular activities.

The Book of Swords-George R. R. Martin 2017-10-10 New epic fantasy in the grand tradition—including a never-before-published Song of Ice and Fire story by George R. R. Martin! Fantasy fiction has produced some of the most unforgettable heroes ever conjured onto the page: Robert E. Howard's Conan the Barbarian, Michael Moorcock's Elric of Melniboné, Fritz Leiber's Fafhrd and the Gray Mouser. Classic characters like these made sword and sorcery a storytelling sensation, a cornerstone of fantasy fiction—and an inspiration for a new generation of writers, spinning their own outsize tales of magic and swashbuckling adventure. Now, in The Book of Swords, acclaimed editor and bestselling author Gardner Dozois presents an all-new anthology of original epic tales by a stellar cast of award-winning modern masters—many of them set in their authors' best-loved worlds. Join today's finest tellers of fantastic tales, including George R. R. Martin, K. J. Parker, Robin Hobb, Scott Lynch, Ken Liu, C. J. Cherryh, Daniel Abraham, Lavie Tidhar, Ellen Kushner, and more on action-packed journeys into the outer realms of dark enchantment and intrepid derring-do, featuring a stunning assortment of fearless swordsmen and warrior women who face down danger and death at every turn with courage, cunning, and cold steel. Dangerous Women-George R. R. Martin 2013-12-03 All new and original to this volume, the 21 stories in Dangerous Women include work by twelve New York Times bestsellers, and seven stories set in the authors' bestselling continuities-including a new "Outlander" story by Diana Gabaldon, a tale of Harry Dresden's world by Jim Butcher, a story from Lev Grossman set in the world of The Magicians, and a 35,000-word novella by George R. R. Martin about the Dance of the Dragons, the vast civil war that tore Westeros apart nearly two centuries before the events of A Game of Thrones. Also included are original stories of dangerous women—heroines and villains alike—by Brandon Sanderson, Joe Abercrombie, Sherrilyn Kenyon, Lawrence Block, Carrie Vaughn, S. M. Stirling, Sharon Kay Penman, and many others. Writes Gardner Dozois in his Introduction, "Here you'll find no hapless victims who stand by whimpering in dread while the male hero fights the monster or clashes swords with the villain, and if you want to tie these women to the railroad tracks, you'll find you have a real fight on your hands. Instead, you will find sword-wielding women warriors, intrepid women fighter pilots and far-ranging spacewomen, deadly female serial killers, formidable female superheroes, sly and seductive femmes fatale, female wizards, hard-living Bad Girls, female bandits and rebels, embattled survivors in Post-Apocalyptic futures, female Private Investigators, stern female hanging judges, haughty queens who rule nations and whose jealousies and ambitions send thousands to grisly deaths, daring dragonriders, and many more." The Ice Dragon-George R. R. Martin 2014-10-21 The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child—and the ice dragon who loved her—could save her world from utter destruction. This new edition of The Ice Dragon is sure to become a collector's item for fans of HBO's megahit Game of Thrones. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Earth's Last Empire-John Hagee 2018-09-18 Our world is in crisis mode, but God is still on the throne in this powerful and prophetic book from New York Times bestselling author and pastor John Hagee. Bible prophecy clearly reveals that immediately prior to the rapture of the Church, four powerful kings will race onto the stage of world history. Pastor Hagee reveals who they are, where they come from, and what they signify. Learn why Hagee believes that we are in the beginning stages of World War III, and how this will eventually take us to the Battle of Armageddon. Pastor Hagee vividly describes the key players that signify the King is coming!

A Feast for Crows-George R. R. Martin 2014 The uneasy peace that exists following the death of Robb Stark is threatened by new plots, intrigues, and alliances that once again will plunge the Seven Kingdoms into all-out war for control of the Iron Throne.

The Wars of the Roses-Dan Jones 2014-10-14 The author of the New York Times bestseller *The Plantagenets* and *The Templars* chronicles the next chapter in British history—the historical backdrop for *Game of Thrones*. The inspiration for the Channel 5 series *Britain's Bloody Crown*. The crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to *The Plantagenets*, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses.

Tuf Voyaging-George R. R. Martin 2013-01-29 Long before *A Game of Thrones* became an international phenomenon, #1 New York Times bestselling author George R. R. Martin had taken his loyal readers across the cosmos. Now back in print after almost ten years, *Tuf Voyaging* is the story of quirky and endearing Haviland Tuf, an unlikely hero just trying to do right by the galaxy, one planet at a time. Haviland Tuf is an honest space-trader who likes cats. So how is it that, in competition with the worst villains the universe has to offer, he's become the proud owner of a seedship, the last remnant of Earth's legendary Ecological Engineering

Corps? Never mind; just be thankful that the most powerful weapon in human space is in good hands—hands which now have the godlike ability to control the genetic material of thousands of outlandish creatures. Armed with this unique equipment, Tuf is set to tackle the problems that human settlers have created in colonizing far-flung worlds: hosts of hostile monsters, a population hooked on procreation, a dictator who unleashes plagues to get his own way . . . and in every case, the only thing that stands between the colonists and disaster is Tuf's ingenuity—and his reputation as a man of integrity in a universe of rogues. "A rich blend of adventure, humor, compassion and all the other things that make being human worthwhile."—Analog "A new facet of Martin's many-sided talent."—Asimov's

A Game of Thrones-Daniel Abraham 2012 The kingdom of the royal Stark family faces its ultimate challenge in the onset of a generation-long winter, the poisonous plots of the rival Lannisters, the emergence of the Neverborn demons and the arrival of barbarian hordes. 75,000 first printing.

A Dance with Dragons-George R. R. Martin 2015-03-31 New threats emerge to endanger the future of the Seven Kingdoms, as Daenerys Targaryen, ruling in the East, fights off a multitude of enemies, while Jon Snow, Lord Commander of the Night's Watch, faces his foes both in the Watch and beyond the great Wall of ice and stone.

Fevre Dream-George R. R. Martin 2004-09-28 A THRILLING REINVENTION OF THE VAMPIRE NOVEL BY THE MASTER OF MODERN FANTASY, GEORGE R. R. MARTIN Abner Marsh, a struggling riverboat captain, suspects that something's amiss when he is approached by a wealthy aristocrat with a lucrative offer. The hauntingly pale, steely-eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet; nor does he care that he won't earn back his investment in a decade. York's reasons for traversing the powerful Mississippi are to be none of Marsh's concern—no matter how bizarre, arbitrary, or capricious York's actions may prove. Not until the maiden

voyage of *Fevre Dream* does Marsh realize that he has joined a mission both more sinister, and perhaps more noble, than his most fantastic nightmare—and humankind’s most impossible dream.

Wild Cards-George R. R. Martin 2012 In 1946, an alien virus that rewrites human DNA was accidentally unleashed in the skies over New York City. It killed ninety percent of those it infected. Nine percent survived to mutate into tragically deformed creatures. And one percent gained superpowers.

Theft of Swords-Michael J. Sullivan 2011-11-23 Royce Melborn, a skilled thief, and his mercenary partner, Hadrian Blackwater, make a profitable living carrying out dangerous assignments for conspiring nobles-until they are hired to pilfer a famed sword. What appears to be just a simple job finds them framed for the murder of the king and trapped in a conspiracy that uncovers a plot far greater than the mere overthrow of a tiny kingdom. Can a self-serving thief and an idealistic swordsman survive long enough to unravel the first part of an ancient mystery that has toppled kings and destroyed empires? And so begins the first tale of treachery and adventure, sword fighting and magic, myth and legend. When author Michael J. Sullivan self-published the first books of his *Riyria Revelations*, they rapidly became ebook bestsellers. Now, Orbit is pleased to present the complete series for the first time in bookstores everywhere. *Theft of Swords* was originally published as: *The Crown Conspiracy* and *Avempartha*. BOOKS IN THE RIYRIA REVELATIONS *Theft of Swords* (*The Crown Conspiracy* & *Avempartha*) *Rise of Empire* (*Nyphron Rising* & *The Emerald Storm*) *Heir of Novron* (*Wintertide* & *Percepliquis*)

A Knight of the Seven Kingdoms-George R. R. Martin 2020-02-25 NEW YORK TIMES BESTSELLER * Taking place nearly a century before the events of *A Game of Thrones*, *A Knight of the Seven Kingdoms* compiles the first three official prequel novellas to George R. R. Martin's ongoing masterwork, *A Song of Ice and Fire*. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LOS ANGELES TIMES AND BUZZFEED These never-before-collected adventures recount an age when the Targaryen line still

holds the Iron Throne, and the memory of the last dragon has not yet passed from living consciousness. Before Tyrion Lannister and Podrick Payne, there was Dunk and Egg. A young, naïve but ultimately courageous hedge knight, Ser Duncan the Tall towers above his rivals--in stature if not experience. Tagging along is his diminutive squire, a boy called Egg--whose true name is hidden from all he and Dunk encounter. Though more improbable heroes may not be found in all of Westeros, great destinies lay ahead for these two . . . as do powerful foes, royal intrigue, and outrageous exploits. Featuring more than 160 all-new illustrations by Gary Gianni, *A Knight of the Seven Kingdoms* is a must-have collection that proves chivalry isn't dead--yet. Praise for *A Knight of the Seven Kingdoms* "Readers who already love Martin and his ability to bring visceral human drama out of any story will be thrilled to find this trilogy brought together and injected with extra life."--Booklist "The real reason to check out this collection is that it's simply great storytelling. Martin crafts a living, breathing world in a way few authors can. . . . [Gianni's illustrations] really bring the events of the novellas to life in beautiful fashion."--Tech Times "Stirring . . . As Tolkien has his *Silmarillion*, so [George R. R.] Martin has this trilogy of foundational tales. They succeed on their own, but in addition, they succeed in making fans want more."--Kirkus Reviews (starred review) "Pure fantasy adventure, with two of the most likable protagonists George R. R. Martin has ever penned."--Bustle "A must-read for Martin's legion of fans . . . a rousing prelude to [his] bestselling *Song of Ice and Fire* saga . . . rich in human drama and the colorful worldbuilding that distinguishes other books in the series."--Publishers Weekly

A Clash of Kings-George R. R. Martin 2011 This second novel of Martin's "New York Times" bestselling fantasy series, the sequel to "*A Game of Thrones*", transports readers to a world of revelry and revenge, wizardry and warfare--where six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms. Includes 16-page preview of the upcoming hardcover, "*A Storm of Swords*".

astonishing story of real-life trapper and frontiersman Hugh Glass The year is 1823, and the trappers of the Rocky Mountain Fur Company live a brutal frontier life. Hugh Glass is among the company's finest men, an experienced frontiersman and an expert tracker. But when a scouting mission puts him face-to-face with a grizzly bear, he is viciously mauled and not expected to survive. Two company men are dispatched to stay behind and tend to Glass before he dies. When the men abandon him instead, Glass is driven to survive by one desire: revenge. With shocking grit and determination, Glass sets out, crawling at first, across hundreds of miles of uncharted American frontier. Based on a true story, *The Revenant* is a remarkable tale of obsession, the human will stretched to its limits, and the lengths that one man will go to for retribution.

Sphere-Michael Crichton 2012-05-14 From the author of *Jurassic Park*, *Timeline*, and *Congo* comes a psychological thriller about a group of scientists who investigate a spaceship discovered on the ocean floor. In the middle of the South Pacific, a thousand feet below the surface, a huge vessel is unearthed. Rushed to the scene is a team of American scientists who descend together into the depths to investigate the astonishing discovery. What they find defies their imaginations and mocks their attempts at logical explanation. It is a spaceship, but apparently it is undamaged by its fall from the sky. And, most startling, it appears to be at least three hundred years old, containing a terrifying and destructive force that must be controlled at all costs.

The Thirteenth Tale-Diane Setterfield 2009-03-16 Biographer Margaret Lea returns one night to her apartment above her father's antiquarian bookshop. On her steps she finds a letter. It is a hand-written request from one of Britain's most prolific and well-loved novelists. Vida Winter, gravely

ill, wants to recount her life story before it is too late, and she wants Margaret to be the one to capture her history. The request takes Margaret by surprise—she doesn't know the author, nor has she read any of Miss Winter's dozens of novels. Late one night, while pondering whether to accept the task of recording Miss Winter's personal story, Margaret begins to read her father's rare copy of Miss Winter's *Thirteen Tales of Change and Desperation*. She is spellbound by the stories and confused when she realizes the book only contains twelve stories. Where is the thirteenth tale? Intrigued, Margaret agrees to meet Miss Winter and act as her biographer. As Vida Winter unfolds her story, she shares with Margaret the dark family secrets that she has long kept hidden as she remembers her days at Angelfield, the now burnt-out estate that was her childhood home. Margaret carefully records Miss Winter's account and finds herself more and more deeply immersed in the strange and troubling story. In the end, both women have to confront their pasts and the weight of family secrets. As well as the ghosts that haunt them still.

Stone's Fall-Iain Pears 2010-06-01 A tour de force in the tradition of Iain Pears' international bestseller, *An Instance of the Fingerpost*, *Stone's Fall* weaves a story of love and high finance into the fabric of a page-turning thriller. A novel to stand alongside *Atonement* and *The Remains of the Day*. A panoramic novel with a riveting mystery at its heart, *Stone's Fall* is a quest, a love story, and a tale of murder - richly satisfying and completely engaging on many levels. It centres on the career of a very wealthy financier and the mysterious circumstances of his death, cast against the backdrop of WWI and Europe's first great age of espionage, the evolution of high-stakes international finance and the beginning of the twentieth century's arms race. *Stone's Fall* is a major return to the thriller form that first launched Iain Pears onto bestseller lists around the world and that earned him acclaim as a mesmerizing storyteller.

The Patrick Melrose Novels—Edward St. Aubyn 2012-01-31 NATIONAL BESTSELLER An Atlantic Magazine Best Book of the Year A Publishers Weekly Best Book of the Year "The Melrose Novels are a masterwork for the twenty-first century, written by one of the great prose stylists in England." —Alice Sebold, author of The Lovely Bones Soon to be a Showtime TV series starring Benedict Cumberbatch and Blythe Danner For more than twenty years, acclaimed author Edward St. Aubyn has chronicled the life of Patrick Melrose, painting an extraordinary portrait of the beleaguered and self-loathing world of privilege. This single volume collects the first four novels—Never Mind, Bad News, Some Hope, and Mother's Milk, a Man

Booker finalist—to coincide with the publication of At Last, the final installment of this unique novel cycle. By turns harrowing and hilarious, these beautifully written novels dissect the English upper class as we follow Patrick Melrose's story from child abuse to heroin addiction and recovery. Never Mind, the first novel, unfolds over a day and an evening at the family's chateaux in the south of France, where the sadistic and terrifying figure of David Melrose dominates the lives of his five-year-old son, Patrick, and his rich and unhappy American mother, Eleanor. From abuse to addiction, the second novel, Bad News opens as the twenty-two-year-old Patrick sets off to collect his father's ashes from New York, where he will spend a drug-crazed twenty-four hours. And back in England, the third novel, Some Hope, offers a sober and clean Patrick the possibility of recovery. The fourth novel, the Booker-shortlisted Mother's Milk, returns to the family chateau, where Patrick, now married and a father himself, struggles with child rearing, adultery, his mother's desire for assisted suicide, and the loss of the family home to a New Age foundation. Edward St. Aubyn offers a window into a world of utter decadence, amorality, greed, snobbery, and cruelty—welcome to the declining British aristocracy.

Old Venus-George R. R. Martin 2015-03-03 Sixteen all-new stories by science fiction's top talents, collected by bestselling author George R. R. Martin and multiple-award-winning editor Gardner Dozois From pulp adventures such as Edgar Rice Burroughs's Carson of Venus to classic short stories such as Ray Bradbury's "The Long Rain" to visionary novels such as C. S. Lewis's Perelandra, the planet Venus has loomed almost as large in the imaginations of science fiction writers as Earth's next-nearest neighbor, Mars. But while the Red Planet conjured up in Golden Age science fiction stories was a place of vast deserts and ruined cities, bright blue Venus was its polar opposite: a steamy, swampy jungle world with strange creatures lurking amidst the dripping vegetation. Alas, just as the last century's space probes exploded our dreams of Mars, so, too, did they shatter our romantic visions of Venus, revealing, instead of a lush paradise, a hellish world inimical to all life. But don't despair! This new anthology of sixteen original stories by some of science fiction's best writers—edited by #1 New York Times bestselling author George R. R. Martin and award-winning editor Gardner Dozois—turns back the clock to that more innocent time, before the hard-won knowledge of science vanquished the infinite possibilities of the imagination. Join our cast of award-winning contributors—including Elizabeth Bear, David Brin, Joe Haldeman, Gwyneth Jones, Mike Resnick, Eleanor Arnason, Allen M. Steele, and more—as we travel back in time to a planet that never was but should have been: a young, rain-drenched world of fabulous monsters and seductive mysteries. Win or Die-Bruce Craven 2019-03-19 A guide to leading without losing your head, inspired by the bestselling books and smash television series Game of Thrones. "When you play the game of thrones, you win or you die. There is no middle ground." —Cersei Lannister One of the great joys of Game of Thrones is strategizing what bold moves you'd make in this bloody, volatile world—from the comfort of your living room. And one of the great terrors of being a leader is knowing your real world can be just as brutal—and offices bring no comfort. Every day you're presented with opportunities and challenges, and must decide which roads to follow, which risks to confront, when to deny an opportunity and when to pursue the call to adventure. And you won't know whether you'll profit or fail while you're in the thick of it. In Win or Die: Leadership Secrets from Game of Thrones, Bruce Craven brilliantly analyzes the journeys of the best and worst leaders in Westeros, so that leaders can create their own narratives of success. Craven considers beloved characters such as Ned Stark, Jon Snow, Daenerys Targaryen, and Tyrion Lannister as they make terrible decisions and fatal mistakes, but also achieve incredible victories and surprising successes, learning and growing along their (often bloody) ways. Readers will learn how to face conflict and build resilience, develop contextual and emotional intelligence, develop their vision, and more. This entertaining and accessible guide will show readers how to turn danger into opportunity, even when dragons threaten.

brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

Game of Thrones and Philosophy-Henry Jacoby 2012-03-13 An in-depth look at the philosophical issues behind HBO's Game of Thrones television series and the books that inspired it George R.R. Martin's New York Times bestselling epic fantasy book series, A Song of Ice and Fire, and the HBO television show adapted from it, have earned critical acclaim and inspired fanatic devotion. This book delves into the many philosophical questions that arise in this complex, character-driven series, including: Is it right for a "good" king to usurp the throne of a "bad" one and murder his family? How far should you go to protect your family and its secrets? In a fantasy universe with medieval mores and ethics, can female characters reflect modern feminist ideals? Timed for the premiere of the second season of the HBO Game of Thrones series Gives new perspectives on the characters, storylines, and themes of Game of Thrones Draws on great philosophers from ancient Greece to modern America to explore intriguing topics such as the strange creatures of Westeros, the incestuous relationship of Jaime and Cersei Lannister, and what the kings of Westeros can show us about virtue and honor (or the lack thereof) as they play their game of thrones Essential reading for fans, Game of Thrones and Philosophy will enrich your experience of your favorite medieval fantasy series.

The Book of Ebenezer le Page-G.B. Edwards 2012-03-07 Ebenezer Le Page, cantankerous, opinionated, and charming, is one of the most compelling literary creations of the late twentieth century. Eighty years old, Ebenezer has lived his whole life on the Channel Island of Guernsey, a stony speck of a place caught between the coasts of England and France yet a world apart from either. Ebenezer himself is fiercely independent, but as he reaches the end of his life he is determined to tell his own story and the stories of those he has known. He writes of family secrets and feuds, unforgettable friendships and friendships betrayed, love glimpsed and lost. The Book of Ebenezer Le Page is a beautifully detailed chronicle of a life, but it is equally an oblique reckoning with the traumas of the twentieth century, as Ebenezer recalls both the men lost to the Great War and the German Occupation of Guernsey during World War II, and looks with despair at the encroachments of commerce and tourism on his beloved island. G. B. Edwards labored in obscurity all his life and completed The Book of Ebenezer Le Page shortly before his death. Published

posthumously, the book is a triumph of the storyteller's art that conjures up the extraordinary voice of a living man.

The Mystery Knight: A Graphic Novel-George R. R. Martin 2017-08-08 A graphic novel edition of The Mystery Knight, one of the thrilling Dunk and Egg novellas from George R. R. Martin's A Knight of the Seven Kingdoms and a prequel of sorts to A Game of Thrones "Every wedding needs a singer, and every tourney needs a mystery knight." Westeros is eerily peaceful. King Aerys I sits on the Iron Throne. A ravaging plague has abated. Yet beneath the surface, tensions linger sixteen years after a failed rebellion. In these restless times, noble hedge knight Ser Duncan the Tall—Dunk, to his friends—and his precocious boy squire, Egg, travel the Seven Kingdoms performing chivalrous deeds, though Egg's bloodline must be concealed at all costs. After heading north for Winterfell, Dunk and Egg are lured off the kingsroad by a wedding feast—and an unusually lucrative tournament. The champion jousting will claim a rare trophy indeed: a dragon's egg. Dunk, always better in a melee, would be satisfied with a hot meal, a cup of wine, and a purse full of coins. But a treasonous plot is more likely to hatch before another dragon ever stretches its wings. Someone's on to Egg. And a mystery knight with designs on an even bigger prize soon throws the entire affair into chaos.

A Natural History of Dragons-Marie Brennan 2013-02-05 Marie Brennan begins a thrilling new fantasy series in A Natural History of Dragons, combining adventure with the inquisitive spirit of the Victorian Age. You, dear reader, continue at your own risk. It is not for the faint of heart—no more so than the study of dragons itself. But such study offers rewards beyond compare: to stand in a dragon's presence, even for the briefest of moments—even at the risk of one's life—is a delight that, once experienced, can never be forgotten. . . . All the world, from Scirland to the farthest reaches of Eriga, know Isabella, Lady Trent, to be the world's preeminent dragon naturalist. She is the remarkable woman who brought the study of dragons out of the misty shadows of myth and misunderstanding into the clear light of modern science. But before she became the illustrious figure we know today, there was a bookish young woman whose passion for learning, natural history, and, yes, dragons defied the stifling conventions of

her day. Here at last, in her own words, is the true story of a pioneering spirit who risked her reputation, her prospects, and her fragile flesh and bone to satisfy her scientific curiosity; of how she sought true love and happiness despite her lamentable eccentricities; and of her thrilling expedition to the perilous mountains of Vystrana, where she made the first of many historic discoveries that would change the world forever. "Saturated with the joy and urgency of discovery and scientific curiosity."—Publishers Weekly (starred review) on A Natural History of Dragons An NPR Best Book of 2013 The Lady Trent Memoirs 1. Red Rising-Pierce Brown 2014-01-28 NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY, BUZZFEED, AND SHELF AWARENESS "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are

nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's *Red Rising* Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE
